Disclosure

Deel Inc. is a limited payment agent of the Payee. Payment Service Providers and Banks are used to facilitate payments. Deel is not responsible and assumes no liability for any transaction fees, foreign exchange fees or any other fee imposed separately on a Payee by a Payment Service Provider or Bank or by the Payee's own financial institution. <https://deel.com>.

If your transaction is sent using SWIFT, the beneficiary bank may charge a fee to receive your withdrawal. When your money is in transit, it may be processed by intermediary banks which may also apply a handling fee. Therefore, the amount received can be less than the amount sent. Banks may not work on weekends and holidays, which may delay the estimated arrival time depending on the country in which your bank, and any intermediary banks are located.
